

# JOIN *Joe's Jumper Day*

Joseph Kendrick has NKH (Non-Ketotic Hyperglycinemia), an extremely rare, life-limiting genetic disorder that severely affects development. Joseph's Goal is a charity set up to increase awareness of NKH and to raise funds for research to find better treatments and eventually a cure.

## JOSEPH WOULD LOVE YOU TO JOIN HIM IN A CHRISTMAS JUMPER DAY THIS YEAR!

Arrange with your place of work or education to set aside a day during this festive period where everyone can make a donation to wear their Christmas jumpers.

Take photos of yourselves sporting festive Christmas jumpers and share them with Joseph's Goal on Facebook, or with @josephsgoal on Twitter using:

**#JoesJumperDay.**

### For further information:

Tel: 07702 078286 | Twitter: @josephsgoal | Facebook: josephsgoal

Joseph's Goal is a UK registered charity: 1151548

If wearing a Christmas jumper to work is not possible, why not have a fund raising raffle over the Christmas period this year? Contact us for tips & advice!

**With your  
help we  
can achieve  
Joseph's  
Goal!**
